

AIS-DSD Support Group Medical Information Disclaimer

The information contained on this site is not intended nor implied to be a substitute for professional medical advice. It is provided for educational purposes only. The reader assumes full responsibility for how he, she, or they chooses to use this information.

Always seek the advice of a knowledgeable physician or other qualified healthcare provider before starting any new treatment or discontinuing an existing treatment. Talk with your healthcare provider about any questions you may have regarding a medical condition.

Nothing contained in these topics is intended to be used for medical diagnosis or treatment.

The Limitations

The reader should recognize that the information and materials presented in www.aisdcd.org have the following limitations, in comparison to being examined by a knowledgeable physician:

- An individual can have a conversation with a physician.
- A physician can perform a physical examination and any necessary tests.
- An individual could have an underlying medical problem that requires a physician to detect.

When in doubt, contact a knowledgeable physician for an appointment.
